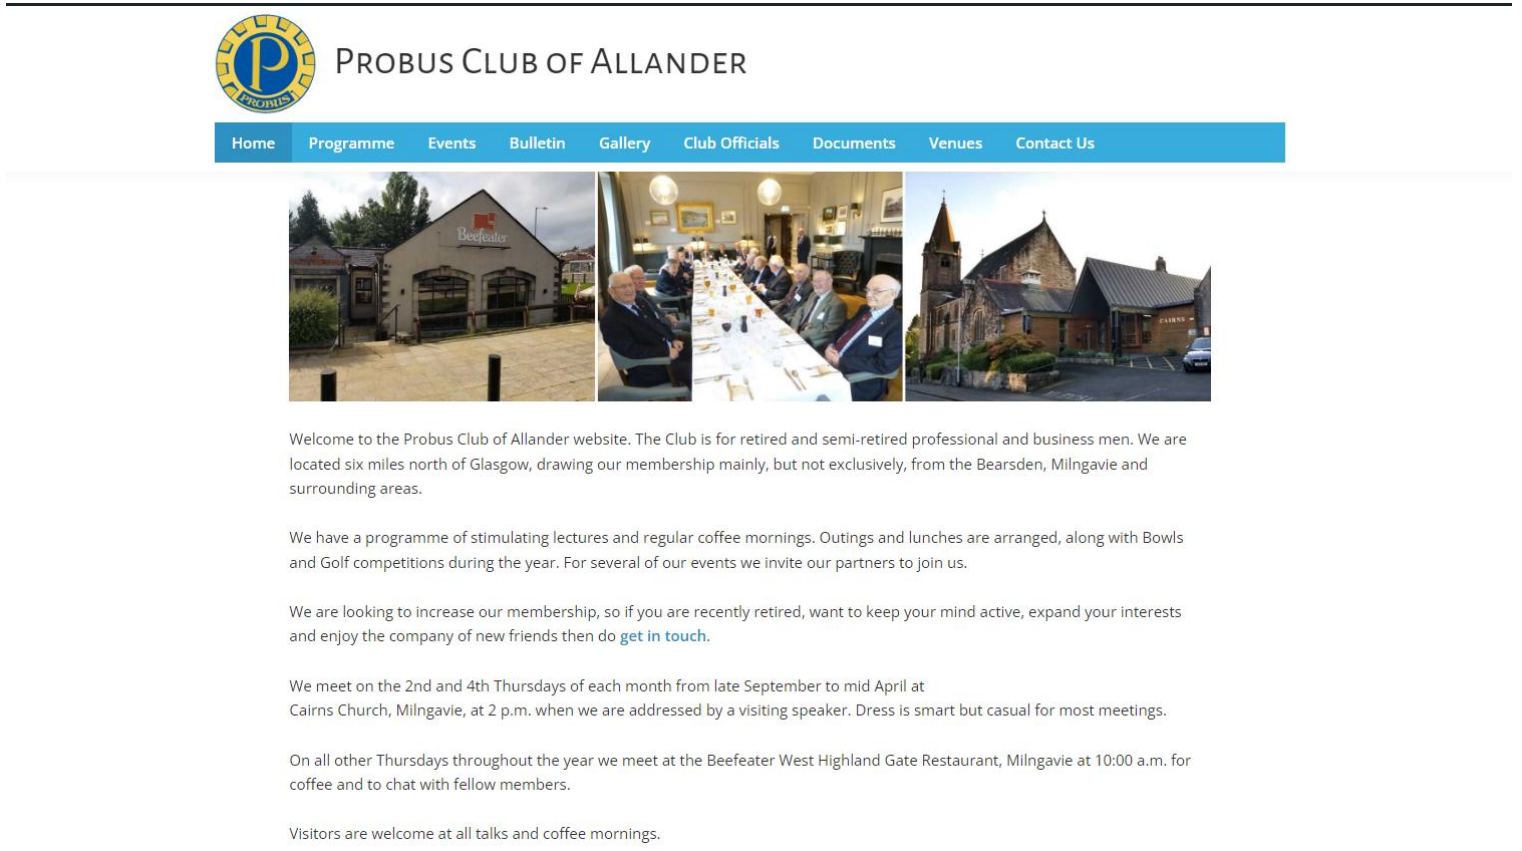
A brief guide on the use of the website of Probus Club of Allander

Website address: https://allanderprobus.co.uk/

The top menu contains different pages about the club:

- **Programme is the time table for all our talks and annual events**
- **Events are our up and coming activities**
- **Bulletin contains information on what had taken place in the club. Presentations, summaries and related photos of talks are posted here when available.**
- **Gallery contains photos from events**
- **Club officials lists the names of our officials and members who are involved in different projects**
- **Documents at present contains our constitution and history**
- **Venues and Contact Us are self-explanatory**



This home page will appear after access to our website PC Version
